President's Message

Dear Utah Supplier Development Council (USDC) Members,

Holy cow, the summer has come to an end! Hope you had a wonderful summer and enjoyed a few get aways! But not to fret, Autumn is a beautiful time of year, and for all you college football fans, it's time to cheer on your favorite team!!

USDC again, had a wonderful speaker and turnout for our August luncheon – Chris Redgrave, the new voice for the "Speaking on Business" feature at KSL, gave a high-energy presentation on marketing yourself, and she was very complimentary of how everyone introduced themselves and briefly talked about your respective business. Bet you didn't know she was watching how you introduced yourselves did ya!

For our September meeting, USDC is joining forces with and will be a co-sponsor of the Salt Lake County/State of Utah Vendor Fair. This Fair will give our USDC members an opportunity to network and learn more about how to do business with agencies from Salt Lake County and the State of Utah.
