## President's Message

Dear Utah Supplier Development Council (USDC) Members,

Thank you to all who came to the June USDC meeting hosted by Wells Fargo. Those attended heard from Jason Anderson regarding services that are available specifically to small business. Discussion on small business loans, treasury management, merchant processing, payroll, insurance investing and retirement planning. Following the presentation we were able to do some networking with each other and is always the highlight of the meeting.

There is no USDC meeting in July – per our tradition of taking a month of the summer off, but we do have a meeting/luncheon planned at O.C. Tanner for August 18<sup>th</sup>. There are some great meetings planned for the second half of the year. We appreciate the associates who are dedicated to building their businesses and if you would like to make suggestions on some large companies that you would like to hear from – please contact Laura Nordfelt, associates co-chair and we can move forward in extending the invitation to the recommended companies.

We'll see you in August! Until then, the USDC Board wishes all of you a very enjoyable July 4<sup>th</sup> Holiday and fun-filled, safe vacations and getaways!! See you all again on August 18<sup>th</sup>.

Sincerely,

USDC Board
