June 2011

President's Message

Dear Utah Supplier Development Council (USDC) Members,

Nothing is better than a holiday to relax, refuel and restart your dedication on your business adventures! We welcome you back, as we get ready to kick off the official start of summer!

During our May event, USDC was lucky enough to be invited to the University of Utah for some insightful presentation on how they conduct business on campus. It was very informative with detail and introductions of their purchasing staff. I was amazed to understand what it took to actually run a college campus. The members who attended were not disappointed, they had a captive audience of purchasing personnel to meet and ask questions.

For the June USDC meeting, we have arranged to have Wells Fargo host the meeting. This will be an informative discussion on a list of various services Wells Fargo offers that work directly with the small business community to improve business. Jason Anderson will head the discussion on these traditional services and other specific financial assistance that they make available for the small businesses.

There will also be time to network with other small business members including other large major members towards the end of the meeting. This is a prime opportunity to find prospective clients for your products/services. Don't forget to put this on your calendar and plan on attending.

When: Thursday, June 16, 2011

Where: Wells Fargo Bldg. 299 South Main Street, 11th floor.

Time: 11:30 am – 1:00 pm - Please note that USDC is trying to start our meetings on time, so please come a few minutes early to register and fill out a name tag, etc.

Lunch will be provided and is free for all USDC associate and major members (one free lunch per membership). \$15.00 for additional members and guests. Please RSVP by Tuesday, June 14, 2011 at our website: www.usdcutah.org or by contacting Randi Ruff at ruff@purchasing.utah.edu or 801-581-7450.

Kind Regards

Jenifer Scoffield, USDC Vice President
