BUYERS ALERT: USDC VENDOR FAIR @CITY CREEK MAY 15TH, 2013, 9:00AM - Noon

The Utah Supplier Development Council (USDC) is hosting a Vendor Fair on May 15th, 2013 at City Creek in downtown Salt Lake City from 9:00 to Noon. We would like government, county, city and corporate buyers to come visit the booths and learn more about the products and services offered by our associate members. Last year about 40 USDC businesses from diverse industries participated.

USDC is a non-profit, 100% volunteer organization, and is the only purchasing group in the State of Utah dedicated to increasing the dollars spent by large corporations and government agencies for services and products offered by disadvantaged businesses including: Minority Owned, Women Owned, HubZone, and Service Disabled Veteran owned small businesses.

USDC is comprised of major members such as: State of Utah, Salt Lake County, Salt Lake City, University of Utah, Ogden City, ATK Launch Systems, ARUP, and Intermountain Health Care, Triumph Group, Zion's Bank and others. The business owners represent our associate members.

The vendor fair will be held at the beautiful City Creek, on the patio of the Governor's Office of Economic Development (GOED). This is a small, but important vendor fair. Please take an hour out of your very busy schedule to support these businesses.

Driving/parking instructions to the new office of GOED, located at 60 E. South Temple, 3rd floor (Eagle Gate Tower) are attached. It's easy to find. Parking will be validated.

If you have questions, please contact Jo Rudd, University of Utah at jrudd@purchasing.utah.edu. This is a great opportunity to "shop" for potential vendors at City Creek. We look forward to seeing you!
