

Season's Greetings....

As we enjoy the holiday season we at USDC cannot forget the dedication of our members and their support through the year.

On behalf of the USDC Board, I would like to express our sincere gratitude to all of our Major Members, Associate Members and Strategic Partners for their support and collaboration.

2013 has been a good year for several small businesses as the economy continued to show good signs of improvement. It is therefore our hope that the coming year will be even better! USDC is excited about 2014 and we look forward to our upcoming events and meetings that can touch the bottom-line of our associate members.

We wish you all a peaceful and joyous holiday. And may the New Year be full of your best opportunities and every success.
