July 2008

President's Message

Dear Utah Supplier Development Council (USDC) Members,

Before I address the business aspects of the USDC, I want to wish all our members a fun, but safe month of holidays and vacations. (If you can afford the fuel that is!) Because July is so busy with two holidays and a popular month for vacations and family gatherings, USDC will not have a monthly meeting/luncheon in July.

In August, I am pleased to announce that Lifetime Products, the world's leading manufacturer of folding tables, chairs, portable basketball systems, outdoor storage sheds, and steel utility trailers, located in Clearfield at the Freeport Center, will be our host. Details of this event will be announced in the August edition of the USDC newsletter – so stay tuned!!

Thank you all for your attendance at the June USDC Business Card Exchange event. We had about 50 people in attendance. This was an ideal opportunity to meet with representatives of 15 different defense contractors throughout the U.S., and we have Jenifer Scoffield and Heidi Klopfenstein (two of USDC's board members) to thank for coordinating this effort – Thank You Ladies!

Have a wonderful July, and we'll see you at our next event in August with Lifetime Products!

Sincerely,

Chuck Spence, USDC President
